

NATIONAL AEROSPACE FDI EXPO

October 26-28, 2015

Los Angeles, CA

Hear from the experts about the latest trends in aerospace foreign direct investment (FDI).

Join workshops on manufacturing, federal regulations (with agency representatives), R&D investments, and more.

Meet face-to-face with U.S. state and local government officials and top U.S. and international aerospace companies.

Showcase your region's advantages directly to aerospace investors from around the world.
