

# U.S. NATIONAL AEROSPACE FDI EXPO

## Showcase Your Organization

The U.S. Department of Commerce is partnering with the Aerospace States Association to host the first-ever National Aerospace FDI Exposition on October 26-28, 2015 in Los Angeles, California. **Registration for the Expo is \$550 for Non-Government Attendees and \$400 for Government Attendees.**

The Expo will bring foreign investors together with U.S. companies, economic development organizations, state officials, and service providers to showcase the investment opportunities in the U.S. aerospace manufacturing sector. The venue, speaker agenda, and matchmaking program provide the ideal opportunity to make contacts and conduct business.

**Showcase** your organization at the Expo to increase your brand awareness, strengthen your name recognition, and gain enhanced visibility at the first-ever U.S. foreign direct investment Aerospace Expo. Become a sponsor, exhibitor, or advertiser to receive additional exposure to help attract new clients and solidify existing business.
