

# SelectUSA Luncheon: Expanding Your Business in America

In Conjunction with the Greater Houston Partnership

## EXPAND IN THE U.S.

**Want to open an office or operation in the USA?** SelectUSA is the U.S. Government-wide initiative to attract, retain and grow business investment in the United States.

- Meet Federal and regional partners that can help you locate and grow in the United States
- Learn about the U.S. investment climate, resources and services
- Hear from companies that have invested in the United States

## REGIONAL PROFILE - HOUSTON, TX

Join us to understand the opportunities and resources in the Houston Region. Houston is home to 40 of the nation's 134 publicly traded oil and gas exploration and production firms, including 10 of the top 25 as ranked by 2012 total assets.

In partnership with SelectUSA, the Greater Houston Partnership provides direct local assistance to companies seeking investment and expansion opportunities in the United States.

**736** plus establishments that manufacture chemical and plastic products

**9** refineries in the Houston region process 13% of U.S. capacity

**17** corporate or divisional headquarters of the nation's top 20 natural gas transmission companies; and

**15** of the nation's 20 largest oil pipeline operators have corporate or divisional headquarters or ownership interests based in Houston.
